

**Commissioner  
Nick Fish**

**September 2, 2015**

Dear Alisha,

I was pleased to read the recent “Newsmaker” piece in *The Oregonian* about you and your work with homeless youth.

Portland Homeless Family Solutions is one of my favorite nonprofit organizations – they are lucky to have you on their side.

Thanks for your leadership and service in our community – and for all you do to support homeless families in Portland.

Sincerely,

Nick Fish
